

To be saints is not a privilege for the few, but a vocation for everyone."

POPE FRANCIS

Our mission at St. Mary's School is to help each child grow to be a disciple of Christ and a steward of God's earth. With your help, we can bring this opportunity to more children.

St. Mary's School has a long-standing tradition of Catholic values and academic excellence and strives to build disciples in all of our students. The foundation of a Catholic education is more important than ever in our world today, where so much in society is in conflict with our faith. Although there is great need and desire, today's economy continues to make it more challenging for families with multiple children to afford Catholic schools.

St. Mary's Annual Giving Appeal was established to help give as many children as possible a quality Catholic school education. Our goal is to ensure that our parish families can afford to give all of their children the solid foundation of a Catholic elementary education.

Your generous donations make up the difference between the cost of tuition and the ability of a family to pay. Tuition assistance gives so many children the opportunity to dream of great things! Each donation, regardless of size, advances our mission of faith, knowledge, and service.
